Get Showcased During Alive After 5

Synergy Fine Art is a co-op fine art gallery that houses independent artists who paint and sell their art at the gallery. We are dedicated toward advancing the career of all of our artists as well as the reputation of Synergy Fine Art Gallery.

We are currently looking for one artist to join our group and grow with us. If you or anyone you know is looking for a studio/gallery space to rent, please submit your information via email.

We are located in Historic Roswell's Art District, just off of Canton on Webb Street. We have just begun our 5th year at this location. Our goal is to create a synergistic group of five artists that work together to promote the gallery and each other.

What it means to be a Synergy Fine Artist

- considers themselves an artist who is ready for the next step in their career
- has developed a distinctive style
- has a solid body of work with at least 10 pieces in their style
- is dedicated to promoting themselves and the gallery as a whole
- is able to attend and contribute to all studio events (Openings, special events, Alive After 5)
- is receptive and engaging with the public
